

CATALOGUE 2023
www.mazaccessories.com

Maz Accessories represents a proud tradition of style, quality and durability of headwear and fashion accessories. Our wide variety of hats, caps and accessories are designed to suit increasing demand for both style and functionality. While crafting headwear over past decade we expanded the variety of products around our customers demands.

Each and every product is manufactured to the highest standard.

From large department stores to the independent retailer we serve a diverse range of customers. Our company has grown over the past decade and it has grown around the loyalty and the demand of our customers whose ideas inspired us to diverse our product line. Whether it is a traditional tweed cap, Victorian top hat or classic bowler hat, the classic range has stood the test of time and continues to be the backbone of the company along with many other accessories that represents rich British heritage.

However in an ever-changing market in order to keep our products flexible enough to match this brave new world, when it comes to customer choice, our products are evolving to meet the demands of the fashion conscious people.
